Reminder:

I started this document to support service providers in sharing information with each other and families served across the community. For this reason, I have been less concerned with formatting and the information has only been available in English for the past two weeks. You are welcome to share with community members, but know that it can be overwhelming to navigate in its current format.

[Spanish Version here.](#) The Most Essential resource information has been translated to share with our amazing community promotoras and monolingual community workers too.

Thank you for your patience AND all you are doing to make sure our community is being taken care of during this time.

SNAP Match/Reimbursement

Expensify.org is going to temporarily redirect all of its charitable funds to [Expensify.org/hunger](https://expensify.org/hunger). With its ability to reimburse volunteers directly in real-time, Expensify.org is uniquely positioned to help families in need immediately.

Until today, this fund was focused on paying off kids' "lunch debts", but with schools closed around the nation, that isn't the top priority. Instead, we're devoting everything to a new program: **matching SNAP grocery purchases up to \$50 per family. It works like this:**

1. Purchase food as normal with your SNAP card
2. [Download](#) Expensify on iOS or Android, for free

3. Join the [Expensify.org/hunger](https://www.expensify.org/hunger) policy
4. **SmartScan** the receipt, which will tell us how much you paid and show that it was paid for with an Electronic Benefits Transfer (EBT) card
5. Submit it to volunteer@expensify.org
6. Set up your [bank account](#) to receive the funds
7. So long as we have funds available, we will reimburse up to \$50 per family (one time), the very next day.

To be clear, we can't commit to reimbursing every single person in need – we have no idea how many people will do this, and unfortunately, we don't have unlimited funds. We also don't know how long this crisis will last and how far our brand new charity's resources will stretch. But we're going to do what we can with the funds donated on behalf of Expensify Cardholders via the [Karma Points](#) feature

Rental/Mortgage Assistance

CLSEPA

Community Legal Services of East Palo Alto
Rental Assistance Fund

[Get help with emergency housing assistance](#)

COVID-19 Changes: expanded geographic boundaries, now reviewing applications for residents living in SMC and SCC and will consider granting rental assistance for multiple months.

What to do if you can't pay rent:

1) TALK TO YOUR LANDLORD Ask for an extension and/or set up a schedule to make partial payments. Under the current circumstances, most landlords will be willing to work out a special arrangement.

2) KEEP INFORMED Watch for state and local governments' emergency actions relating to tenants' rights and evictions. As of March 19, the San Mateo County Superior Court has ordered that all eviction cases are temporarily on hold, Answer deadlines are extended, and courts will not enter defaults or give authority to the sheriff to do lockouts. More relief could be coming regarding rent (and mortgage) payments.

3) IF YOU HAVE A HOUSING PROBLEM THAT YOU CANNOT DEAL WITH ON YOUR OWN Call Community Legal Services of East Palo Alto (CLSEPA) at (650) 422-2885. Here is their website: <https://clsepa.org/>

IMPORTANT UPDATE!!

If you live in San Mateo County and are unable to pay rent because of COVID-19, here is what you need to know: On March 24, 2020, San Mateo County passed an emergency regulation to protect tenants from eviction for non-payment of rent.

EVICTION MORATORIUM:

UNTIL May 31, 2020, no Landlord can evict a Tenant for non-payment of rent if the Tenant shows the landlord IN WRITING that they cannot pay rent BECAUSE OF COVID-19 or the government response to COVID-19.

This includes, for example, loss of income related to a layoff/loss of hours, childcare needs, you can't leave your house because of a government order or recommendation, or if you or a member of your household has the virus. The regulation also prohibits no-fault evictions, such as a lease expiration or due to a substantial remodel, unless the owner or owner's family member needs to move in.

RENTAL PAYMENT DELAY:

After May 31, the tenant then has at least 90 days and up to 180 days to pay the full amount of back rent due with no late fee. (After the initial 90 days, the tenant must provide documentation every 30 days to show their continued inability to pay the back rent due.)

HOW TO PROVE LOSS OF INCOME DUE TO COVID-19:

Keep records! You should:

- Ask your employer for a termination letter if you are laid off;
- Save and print any emails and texts from your employer about reduced hours or being laid off;
- Keep your pay stubs from February, March, and April to compare the different income, if you have pay stubs

EPA/BH Food, Housing, Financial Resources

- Take photos showing that your business or place of work is closed

If you have questions about this emergency regulation or any other housing problem that you cannot deal with on your own, call Community Legal Services of East Palo Alto (CLSEPA) at (650) 422-2885.
